

**SPECIFICATIONS FOR MAGNETIC MEDIA REPORTING OF W-2 INFORMATION TO CITY OF
SIDNEY DEPARTMENT OF TAXATION**

DECEMBER 2009

For the 2009 tax year, the City of Sidney Department of Taxation & Revenues requires all employers filing W-2's for 150 or more employees to submit their W-2 information on magnetic media, **in addition to**, paper forms. Please note the correct format is the EFW2-2009 W-2 format (formerly MMREF-1).

This file/record format is detailed in the Social Security Administration publication "EFW2-2009". If you do not have a copy of the publication, you may request one from the local SSA office or view and/or print the form on the SSA web page located at <http://www.ssa.gov/employer/pub.htm>.

For our recording needs, we require only 4 of the records in the Federal filing format. We require a Submitter record (RA) for each employer; one Employer Record (RE) for each employer, if submitting multiple employers then one RE record for each employer, one employee wages record (RW) and one Supplemental Record (RS) for each Employee. All other records (those required by the SSA) may be filled with spaces or left as is, since these unneeded records will be skipped during our processing. Use only hard carriage returns at the end of a completed record.

Important exceptions to the Federal filing format specifications:

- **The City of Sidney Department of Taxation accepts W-2 information recorded ONLY on MSDOS compatible 3½" high density diskettes or compact disk (CD) or an e-mail file. The e-mail address you may send it to is: jfishbaugh@sidneyoh.com**
- **The City of Sidney Department of Taxation & Revenues accepts multiple Employers on one "W2REPORT" file. However, there may be only one W2REPORT file on each diskette or CD. This feature allows tax service companies to efficiently file for multiple employers.**

The following is a list of records available in the Federal file format and should be titled as "W2REPORT". As you can see from the bolded records, the City of Sidney uses only the one (1) employer record and three (3) supplemental records. All other records are skipped during processing and, therefore, may or may not have information in them:
