

The goal of the Paint the Town program is to stop deterioration of properties, maintain property values, and improve the appearance of the City of Sidney neighborhoods. This is done by helping low to moderate income and disadvantaged households who own their home to make improvements through exterior painting.

This assistance is provided in the form of paint and supplies. Labor is provided for properties where the owners are physically unable to do the painting.

Program Requirements

1. I agree to use the supplies provided through the Paint the Town Program in a responsible fashion, consistent with the representations made in the application, in a way that is consistent with the objectives of the Paint the Town Program. It will be my responsibility to properly prepare the painting surface to ensure proper adherence of the paint.
2. I agree to use the supplies within three months from the date of acceptance into the Paint the Town Program.
3. I agree not to sell or otherwise trade the supplies provided through the Paint the Town program.
4. I agree that if I, or any of my agents, violate the terms of this agreement that I will be personally responsible for paying the program back for the entire amount of the grant. Further, if the City should incur any legal costs associated with the attempt to recover the grant due to my failure to abide by the terms of the agreement, I will also be personally responsible for reimbursing the City for the expenses incurred.
5. I agree to hold harmless the City and the financial institutions participating in the Paint the Town Program from any claim that may result from the activity associated with the use of the proceeds provided by the Paint the Town Program.
