Please note your Contractor is required to:

- 1) Be registered with the City of Sidney Building Inspection Dept. To verify registration status call 937-498-2335 x8130
- 2) Complete a "Right-of-Way" permit which is available through the City of Sidney Engineering Dept. or online. The \$10 fee is waived for sidewalk program participants. However, if the City has to repair any asphalt roadway damaged during sidewalk repairs/replacements, the current City rate for asphalt repairs shall apply in addition to a \$25 handling fee.
- 3) Contact the Engineering Dept. at 937-498-8142 to have an inspection of repairs/replacement prior to concrete being placed. 24-hour notice is appreciated.
