What paperwork is required to apply for a sidewalk sign permit? The sign permit application and specifications (materials, structure, support, etc) are the only items needed.

What are the size limitations for a sidewalk sign? Signs cannot exceed eight square feet in area each side, nor can the total height exceed four feet.

Where can I place a sidewalk sign? Such signs must be placed directly in front of the store for which they are advertising. They must be placed no more than twelve inches from the street-grade building façade.

Can I have a sidewalk sign and a temporary sign at the same time? No; A business may either display a temporary sign (such as a banner) or a sidewalk sign. Temporary signs require a permit, and if a sidewalk sign permit is on record for the same address, the applicant will be advised to remove the sidewalk sign for the duration of the temporary sign permit.

How long can I have a sidewalk sign? Sidewalk signs are permitted in twelve-month periods. They can be displayed seven days a week between the hours of 7:00 a.m. and 9:00 p.m.

What is the fee for a sidewalk sign permit? \$80.00 each twelve-month period.

How long does it take for approval? If the application is complete and accurate, the Community Development Department can usually have the application approved within 1-2 working days.

How must the property be zoned? Sidewalk signs are allowed in the B-5, Court Square Business District only.
